

Welcome Home

At Trestle, we remember a time, not too long ago, where people took pause to enjoy a meal in the presence of great company, giving it the reverence and respect deserved. Just as a bear builds its den for comfort and tranquility, Trestle has been created to serve as your home away from home. We'll provide a dining experience served in courses, with the satisfaction and warmth found at a family gathering, creating the foundation to a proper meal.

Due to our unique daily offerings we can not guarantee that all allergies or food restrictions can be accommodated. Please notify your server with any concerns.

We support our restaurant employees receiving the same benefits as other industries; a 20% service fee and 6% Healthy San Francisco Mandate is added for all parties on all checks. No additional tip is required or requested. Thank you for supporting our community!
